ORGPP-300

Organize and give Powerful Presentations – Practical

½-day

Overview

Do you want to enjoy the opportunity for hands-on experience with your own presentations? Would you benefit from practicing, while incorporating media and presentation skills, in front of a “safe” non-critical audience? In this course you will receive coaching from an experienced trainer, coach and speaker on the finer points of your talk; someone who will tell you what others are just thinking?

You Will Learn How To...

- √ Present in a non-threatening environment
- √ Upgrade presentation skills and media
- √ Increase confidence from the ability to practice regularly

You Should Attend If You...

- √ Want to upgrade your speaking skills without attending a formal course
- √ Are anticipating presenting in the near future and need assistance
- √ Have been presenting regularly without a desired outcome
- √ Want to be offered constructive criticism in a small environment

Program Content

- √ A presentation given by fellow participants for critiquing
- √ Constructive criticism from other participants
- √ Personalized coaching from the instructor.
